Accelerate Your PCI Initiatives with Herjavec Group

✓ We offer a hands-on, flexible approach, tailored to meet your organization's uniqueness and requirements.

✓ With comprehensive security expertise in Advisory Services, Identity and Incident Response, we take a holistic approach to your compliance assessment services.

✓ We can review your organization's existing control framework, identifying where you are most vulnerable to cyber threats through penetration tests, social engineering assessments, red teaming operations and more.

✓ Our cyber experts contribute to the Payment Card Industry Data Security Standards, providing insight on PCI DSS evolutions and revisions. We offer thought leadership through webinars, blogs and at PCI DSS events.

✓ We have decades of experience in Payment Card Industry (PCI) compliance, risk and security frameworks (ISO, NIST), and expertise in emerging privacy domains like GDPR.

✓ We've been recognized industry-wide as a cybersecurity expert - #4 on the MSP Alert Top 250 MSSPs, IDC Security Services Leader, Best Identity and Access Management from Acquisition International and from Cyber Defense Magazine: Security Company of the Year, Market Leader in MDR, Market Leader in IAM and Most Innovative Security Company of the Year.

HERJAVEC GROUP
